PROFESSIONAL PREPARATION:

Undergraduate:	Princeton University	biology	A.B. 1980
Graduate:	University of Michigan, Ann Arbor	biological sciences	Ph.D. 1987
Postdoctoral:	Princeton University	tropical ecology	1988-1989

APPOINTMENTS:

Professor, Department of Biology, Miami University (2013 - present)

Professor, Department of Botany, Miami University (2007 - 2013)

Research Associate, Smithsonian Environmental Research Center (SERC), Edgewater, MD
(2011 – present)

Associate Professor, Department of Botany, Miami University (1995 - 2007)

Senior Fellow, SERC, Edgewater, MD (2004 – 2005)

Assistant Professor, Department of Botany, Miami University (1990-1995)

Research Associate, Department of Biology, Princeton University (1988-1989)

Visiting Assistant Professor, Dept. Biological Sciences, Rutgers University (1987-1988)

SYNERGISTIC ACTIVITIES

President (2013 – 2014), Vice-President (2015 – 2016) and Board member (2012 – 2016) Ohio Invasive Plants Council. Work with stakeholder groups to develop an official list of plants invasive to Ohio, coordinate conferences and workshops, advise Ohio Department of Agriculture on rules being drafted to implement new invasive plant legislation.

Co-developed Miami University undergraduate “co-major” in environmental science, serve as Advisor for co-majors, and co-teach core course

Served on grant review panels for NSF: Partnerships for International Research and Education Program (PIRE) (2007) and Interdisciplinary Training for Undergraduates in Biological and Mathematical Sciences (UBM) (2004); and for USDA: National Institute of Food and Agriculture (NIFA) Controlling Weedy and Invasive Plants program (2014) and Competitive Program in Biology of Weedy and Invasive Species in Agroecosystems (2009), and National Research Initiative Competitive Grants Program panel, Weedy and Invasive Plants (2005).

Co-PI on two funded NSF Research Experiences for Undergraduates (REU) site grants (2001-2004 and 2004-2007), Miami University.
